Course Syllabus

**TEC 945 Graphics for the Web**

Instructor: Brent Nabors

Contact Information

Phone: 559-903-7564

Fax: 559-314-1895

Email: flash@teacherdev.com

**Course Assignments**

To receive credit for this course you need to complete all of the assignments listed below. Please make sure that you turn in all lab assignments through the "Upload Work" button. Below, you will find a list of assignments and the order in which they are due.

**SURVEY 1**

Pre-Course technology survey (5 points)

When you registered to the class web site, you filled out this survey. However, if you would like to look over your answers and update the information, please click on the survey link.

**CHAPTER ASSIGNMENTS**

You are expected to complete every lesson in each chapter. In every chapter, I have selected a lab assignment that I feel addresses the objective for that chapter. Each chapter will have one assignment/lab to turn in which will be worth 5pts. Below, you will see a break down for each chapter.

- Chapter 1 - (breads.png) (5 points)
- Chapter 2 - (pastries.png) (5 points)
- Chapter 3 - (horizons.png) (5 points) Chapter 4 - (se\_asia.png) (5 points)
- Chapter 5 - (eyetest.png) (5 points)
- Chapter 6 - (snowcruncher.gif) (5 points)
- Chapter 7- (recipes.png) (5 points)
- Chapter 8 - (rainbowtea.png) (5 points)

**CLASSROOM PROJECT**

- Classroom Project Write-Up (15 points)
- Classroom Project (35 points)

**SURVEY 2**

- Post-Course teacher survey (5 points)
- TOTAL POINTS FOR CLASS (100 points)**

**Required Material**

Fireworks 8 Revealed  
by Barbara M. Waxer

ISBN: 1-4188-4311-3

Your instructor will send you your book. You will not need to buy this book!

Download Student Files:

<http://www.course.com/studentcenter/downloads.cfm?isbn=1-4188-4311-3&CFID=20130309&CFTOKEN=75873521>

### **Course Learning CD-ROM**

Your instructor will also send you a CD-ROM containing a 30-day trial version software (for Macintosh and Windows) for Macromedia Fireworks and supplementary instructional and lecture materials

#### **\*\*\*NOTE**

If your 30 day trail version expires, you will be forced to buy a copy of Fireworks remember, that as a teacher, we have other options to buying software. The most costly is the local computer store. One thing to remember before going out to that local computer store is that as an educator you have the option of purchasing educational copies of software at greatly reduced prices. Listed below are some likes of vendors that will give educators a price break on the purchase of software.

1 Academic super store: <http://www.academicssuperstore.com>

### **Course Description**

Designed for the beginning user, this course introduces students to the basics of graphics and how they are used on the Internet. This class is online, however there is regular interactivity between teacher and student. This course allows students to get acquainted with all areas of computer graphics to produce eye-catching web graphics. Materials include a textbook, lecture and video tutorial CD, and demonstration software for both Windows (2000 and higher) and Macintosh. Students need access to a computer, CD-ROM drive and an Internet connection to complete this course. Instructor support is readily available via email or phone. Class web site: <http://www.teacherdev.com>

### **Communications**

How to Communicate with the Instructor

Forms of Communication:

- Electronic mail
- Telephone calls
- FAQ website

Email: [flash@teacherdev.com](mailto:flash@teacherdev.com)

Phone: 559-903-7564

Fax: 559-314-1895

### **Primary Learning Outcomes**

Technology guidelines defined by ISTE (International Society for Technology in Education). [http://cnets.iste.org/students/s\\_stands.html](http://cnets.iste.org/students/s_stands.html)

Students will

- develop the skills needed to create graphic materials in Macromedia Fireworks.
- demonstrate the ability to create web graphics.
- become familiar with and demonstrate the ability to create web graphics and special effects.
- prepare web graphics.
- import graphics and modify graphics.

In addition, students will

- develop an awareness of the vast range of technology.
- will increase productivity in the classroom environment, and student learning
- introduce critical thinking skills as it applies to technology.

Computer Workstations

CD-ROM containing 30-day trial version of Fireworks (Macintosh OS X and Windows XP)

<https://www.adobe.com/cfusion/tdrc/index.cfm?product=fireworks>

Access to a computer with the following minimum system requirements: Macintosh with OS X; and CDROM or Windows 2000 or greater, and CD-ROM; access to the internet.

You are to complete the assignments required for this course using the textbook, "Fireworks 8 Revealed" by Barbara M. Waxer. In working through the textbook you will be asked to create a number of files. These files will be submitted for evaluation.

### **Policy on Plagiarism**

All people participating in the educational process at Fresno Pacific University are expected to pursue honesty and integrity in all aspects of their academic work. Academic dishonesty, including plagiarism, will be handled according to the procedures set forth in the Fresno Pacific University Catalogue.

### **Grading Scale**

Letter grades, should one be requested, will be on the following scale:

90% - 100% = A

80% - 89% = B or Credit

79% or below = No Credit

"Credit" = B or higher

All Students are required to complete all assignments.

### **Fresno Pacific University**

Further inquiries may be directed to the Center for Professional Development office at 1 (800) 372-5505 or 1 (559) 453-2015.
