

The Bible is the *most important* document we have on our bookshelf

Exploring *God's Word*

BIB-030

Through it we learn of God's incredible love story of his creation and desire to connect with us on a personal level. Yet most people know very little about the Bible. After you complete this course you will no longer think in terms of individual stories in the Bible. Connect the dots and see the "whole" of God's story from Genesis to Revelation.

Program Benefits

- Explore evidences of the Bible as a trustworthy resource
- Think your way through the entire Old and New Testaments
- Learn how to study the Bible
- Develop a Biblical worldview
- Cultivate a deeper walk with God

This course is designed for individuals or small groups and includes a comprehensive study guide. If you are a group leader and wish for your group participants to register for the course to receive access to the videos and materials at a discounted price, contact Yvonne at (800) 372-5505 for a special registration link.
