Workshop Description

*This workshop is available to all Support Providers/Mentors/Coaches who are currently supporting one or more teachers in an induction program (or have provided support in the past five years). No more than 12 units for providing induction support can be completed (4 units per year).

Years A - C (Years 1 - 3)

- Each workshop consists of completing the required assignments in Moodle (an Online Course Management System), a minimum of 40 hours of mentoring based upon one year of being an Induction Support Provider/Coach/Mentor, and a live online session.
- A recorded session orienting Support Providers/Mentors/Coaches to the course will be available after registration. Support Providers/Coaches/Mentors can work in the course is made available in Moodle. The final online meeting in June will consist of presentations based on required course assignments. The Support Provider/Coach/Mentor will submit all the independent documentation and required assignments in Moodle by this final meeting.

Primary Learning Outcomes

- Collaborate with other Induction Support Providers/Mentors/Coaches, sharing ideas and providing feedback in course forums
- Utilize the Plan, Teach, Reflect, and Apply cycle within which to assess teaching & learning, adjust performance, and set goals with participating teachers.
- Describe your growth as a professional educator based on your mentoring experience this year – use the CSTP to support
- Identify your biggest challenge and how you worked to overcome it.
- Create a five-year professional growth plan.

Workshop Requirements – Years A, B, & C

- View recorded orientation to the course after registration.
- Required to attend one **live online session** (90 minutes) and present your final presentation. Setup instructions will be sent out following registration and provided in the course. Working microphone is

required – all participants are required to test their microphone with a first-time use setup sent via email. Live online help will be available for Zoom troubleshooting as needed.

If you are unable to attend your chosen online session and you are unable to reschedule an alternative option can be approved by your instructor (audio-narrated presentation.)

- Year-long participation in a participating district's induction program and other experiences designed by each Induction program to keep training current. Must be currently serving as a mentor – cannot obtain units for past participation as a Support Provider/Coach/Mentor if you are no longer supporting an induction candidate, unless approved by the instructor.

Required Assignments

- **Hours Log Survey** – Complete a survey indicating the name of your induction program, and program director's/coordinator's name and confirm a minimum of 40 hours consisting of time spent with Participating Teacher and in training for SPs/mentors/coaches provided by the Induction program. The workshop instructor will confirm these hours with your induction director/coordinator.
- **Final Presentation**
 - Create a presentation for the **live online session** or an **audio-narrated presentation**– the presentation should be around 6-8 minutes in length
 - The presentation will include:
 - A description of the biggest challenge you faced this year as a professional educator working with your induction teacher. The story of how you worked to overcome the challenge. Include relevant information from your induction experience, professional learning communities, personal research, department support, professional development, conferences, etc.
 - A description of the professional goals you would like to achieve in the next five years. This can take the form of a timeline, chart, future resume, etc. Be creative!
- **Reflection Forums - Only required for students registered for 4 units!**
 - **Initial Response to Prompt** - Series of 8 reflections based on the induction experience.
 - **Replies to Classmates** - After posting the initial response students are required to respond to two of their classmates' posts in each of the forums, 16 replies total.

***All assignments will be submitted through our online course management system, Moodle:**
