

Seminary Programs and Offerings for Non-Degree Students

Exciting New Non-Degree Programs from FPU Seminary

"Though it cost all you have, get understanding." (Proverbs 4:7)

The good news is getting understanding from Fresno Pacific Biblical Seminary will not cost all you have!

We are opening target seminary classes -- and creating additional ones -- to anyone seeking to know more about God or the Bible. Not everyone is seeking a Master's Degree. Join us to learn together with others about what God is saying. Come, explore the Bible, theology, or spiritual disciplines in a community.

Joining a continuing education class is not simply "head knowledge." When you join a class, you also form friendships with the instructors and other students, deepen your relationship with God, and increase your creativity for ministry. This is at the core of what we are doing here at Fresno Pacific Biblical Seminary -- growing in our relationships with God and following Jesus to shape the future.
